LANCASTER COUNCIL No. 867 KNIGHTS OF COLUMBUS

Vol. XXXIV, No. 4

PUBLISHED BI-MONTHLY

April/May 2010

Dear fellow home members,

As you read this, we will officially be into spring, and looking forward to the warmer weather and longer days. I would like to take this opportunity to thank all of you who came down and helped with the spring clean up. The work that we completed as a unit would have taken one person a week to complete alone. We still have some projects for improvements around the home that need done, so anyone interested in taking on a task or organizing a committee can contact me or any club officer, or bring your ideas to one of our meetings held the third Wednesday of the month.

Thanks also to the members who volunteered to help with the Lenten meals. Your involvement was essential in the success of the meals. You made the task a pleasure, and we received high praise from most everyone who partook in the food provided.

We are working to bring live music to the Home, and unfortunately our event for May 1st was cancelled. We will have the Reapers playing their style of hard folk in the home on April 10th, and are planning a Music festival for June 19th, featuring local performers from the area. More information will be listed in the home, and in the May bulletin.

I wish all of you a blessed Easter and the blessing of the season to you all.

Christopher B. Maul, president

Vocation Prayer

Loving God, you give us hope and new life through the resurrection of your Son. Send your Spirit to make us your enthusiastic and effective witnesses. Call from among us priests, deacons, sisters, brothers, members of secular institutes, and lay ministers. May the Risen Christ help us know your will and live it joyfully!

Amen

From Your Membership Director

Hope you have a blessed and Happy Easter.

We wish to obtain the Father McGivney Award for our council and we must have 35 new members to do so. We currently have 20 new members since June 2009; we need 15 more before this June.

If you didn't sponsor a member, now is the time! Even if you already sponsor someone, you *can* sponsor more. We have our own degree team and are ready to work.

Faithfully yours,
Chuck Yost
